

Calvary Baptist Church of Ypsilanti
Facilities Use for Indoor Services and Events
Updated 3.4.21

What follows are what you will find when you arrive to worship. The Pastors and Deacons thank you ahead of time for your compliance with these details and requirements, especially where there is personal disagreement. Thank you for being a community of grace.

SERVICE DETAILS

1. **Sunday Services**—10:30 A.M. and 5:00 P.M. Sundays (Auditorium *and* Livestream)
2. **Wednesday Service**—7:00 P.M. (Fellowship Hall—*No Livestream*)
3. **Additional Facilities**—Video-feed “cry rooms” (Information Desk & Fireside Room)

BEFORE YOU COME

1. **Symptoms and Contacts**—If you or someone else in your household is showing any of the following symptoms, please remain home and watch online: fever, cough, chills, shaking, unusual muscle pain, sore throat, loss of taste and/or smell. If you or someone in your household is exposed, infected, or recovered from COVID-19, please follow current CDC guidelines regarding your attendance at CBC activities.
2. **At Risk**—We encourage those who are considered “at risk” (e.g. chronic lung disease, serious heart conditions, immunocompromised, etc.) or those still feeling uncomfortable with gathering to remain at home and watch online.
3. **Preparation**—Please plan on bringing your own sanitizing hand gel and facemask. While we will provide several touchless hand gel stations, it will help us if you use your own supply. Please note that we do not have a supply of facemasks to make available to everyone.
4. **Arrival**—Please do not arrive any earlier than 10:10 A.M. The doors will open at 10:15 A.M. for you to enter and go to your preferred seats in the auditorium (upstairs and downstairs).
5. **Children**—There will continue to be a Children’s Church for 4 year olds through the 3rd Grade during the sermon time in the 10:30 A.M. Service.

WHAT YOU WILL FIND WHEN YOU ARRIVE FOR WORSHIP

1. **The front main doors will be propped open** at your arrival and dismissal to help with airflow and to eliminate touching handles. Side doors will not be propped open.
2. Our auditorium and connected lobbies and zones are equipped with an **aggressive air evacuation fan system**. Air/particles from the floor level will be constantly and briskly moved up towards the high ceiling and out of the back vent. This requires that strategic exterior doors remain propped open.
3. **Over 200 chairs** have been carefully set up with social distancing in mind. Households must sit together as a unit. Please allow for at least 1 empty seat between you and those of other household units.
4. An **offering box** is attached to the lobby wall by the Info Desk. Otherwise, please continue to give your weekly offerings online, through your bank, or through the USPS.
5. The weekly **News & Prayer Emails** will continue to be our primary weekly communications.

IN THE BUILDINGS

1. **Facemasks**—Consistent with the current state and local Emergency Orders, CBC strongly encourages—but does not require—attendees to wear a facial covering in *all* the buildings for indoor public services and events (unless you are medically unable to wear a mask). Children under the age of 5 are also exempt. Thank you for being a community of grace and recognizing the differing sensitivities of others at all gatherings.
2. **Seating in Info Desk Lobby**—Please reserve *all* the chairs in this side lobby as an optional cry room for mothers with young children.
3. **Physical Contact**—We ask that, for the present, you refrain from all physical contact with others who are not part of your household unit (e.g. handshaking, hugging, etc.).
4. **Social Distance**—Please maintain appropriate margin between you and anyone from other household units.

Therefore I, the prisoner of the Lord, implore you to walk in a manner worthy of the calling with which you have been called, with all humility and gentleness, with patience, showing tolerance for one another in love, being diligent to preserve the unity of the Spirit in the bond of peace.

Ephesians 4:1-3
