Jim Newcomer

### Mercies of Confrontation

#### Is it possible, in this moment, that...

1. Christ has \_\_\_\_\_ the \_\_\_\_\_?
2. Christ uses \_\_\_\_\_?
3. Christ is showing me where I am \_\_\_\_\_?
4. Christ is testing my \_\_\_\_\_ more than the \_\_\_\_\_?
5. Christ is exposing a \_\_\_\_\_?
6. Christ is preparing me to \_\_\_\_\_ others?

**Paul Tripp/Tim Lane**—“What is the point of all this? God’s work of change has relationships at the core. They are a necessary means and a wonderful goal. Humble community is not the icing on the cake of the Christian life. In a real way, *it is the cake*. Relationships of love are a means of personal growth, a mark of God’s people being purified, and a clear argument to the world for the truth of the Gospel.” (*How People Change*, 90)
